Tomorrow I'm Gone: Written By Uché ©

### Verse 1

See I tried my best to be a Gentleman  
Wanted to make you my woman  
But you take it all for granted  
Regular calls through the day to see if you're fine  
Show you you're on my mind  
Cos you mean so much to me, baby  
Get rid of him, get rid of him, get rid of him  
All your friends tell you  
They need to get a man, get a man, just go and get a  
man  
Get a man of their own  
Cos I'm not living my life for them  
So why do they have so much to say, about me baby

### Chorus x2

You're my number one  
I tell you time and time again  
Still you listen to your friends  
Now I've run out of patience  
Tomorrow I'm gone

### Verse 2

Girl ask yourself this  
If I didn't care for you, why would I do  
The things I do for you  
No matter what the situation I got your back girl  
You need to just let me, be me  
And concentrate on you and me  
Then maybe we could be happy, baby  
Get rid of him, get rid of him, get rid of him  
All your friends tell you  
They need to get a man, get a man, just go and get a  
man  
Get a man of their own  
Cos I'm not living my life for them  
So why do they have so much to say, about me baby

### Chorus x2

You're my number one

I tell you time and time again  
Still you listen to your friends  
Now I've run out of patience  
Tomorrow I'm gone

Middle 8

There's no need for you to  
Spend your time worrying  
My loves true to you boo  
Silly games I'm not playing  
Cos I told you from the start  
That you'll always have my heart  
And I meant every word I said  
If you want me to be your man  
Better stop listening to your friends  
Or were going to loose everything we have

Chorus x2

You're my number one  
I tell you time and time again  
Still you listen to your friends  
Now I've run out of patience  
Tomorrow I'm gone
