(Chorus)

The rain is falling  
And its' pouring down on me  
I can't escape it, the stress has got the best of me  
The same, these feelings  
All this pain and never me  
The rain is falling  
And its' pouring down on me

Down on me, it's pouring down on me

(Verse)

Uh, I grip a route for you, climb to the top for you  
Well shit I couldn't these heels I got for you  
Stress cryin over a man, that's not for you  
No matter what, yo friends gon say I'm not for you  
Fuck we both know that they hatin though  
It's all good, it's not them who I'm datin though  
Always take up for them, I supersave a ho  
My hand reach out to you like what you waitin fo?  
As I write in my notepad, water glass, I pin the grijo as  
you roll grass  
Like things happening so fast  
Tryna drive in the rain, I hope you don't crash

(Chorus)

The rain is falling  
And its' pouring down on me  
I can't escape it, the stress has got the best of me  
The same, these feelings  
All this pain and never me  
The rain is falling  
And its' pouring down on me

(Verse)

All the suffering, the grimy things  
That's came back with you  
Too much waiting, my shoulders is pinning me down  
I just can't get you by the name  
It's raining, it's pouring  
It's raining, it's pouring

It's falling down me

(Verse)

Babe, have a seat as I hold the chair out  
Relax, have a drink, tell me your whereabouts  
Your past, who you slept with, I don't care about  
If it's dirty get it washed, no need to air it out  
Mwa, I love you, I love you  
Kisses on the forehead, after, I hug you  
God as my witness, no one is above you  
I'm glad to be with this, we the perfect couple

(Chorus x2)

The rain is falling  
And its' pouring down on me  
I can't escape it, the stress has got the best of me  
The same, these feelings  
All this pain and never me  
The rain is falling  
And its' pouring down on me

Down on me, it's pouring down on me
