(Verse)

What's good now pop, you and the hood now ho

You think the shit sweet like they don't get down harm

I've seen you when you creep you try to hit down son

But he ran that's when you told us these mans to get down huh

You think you all lack guess who the shit now huh?

You need to fall back before you get fowl humble,

No lie, word from the wise you need to skip down done

It's a job, and none of the guys I gotta get pounds from

Get em out, will string the bell shit, bullets hurt and it felt shit

He felt quick, shots in his pelvis, nigga Elvis,

I don't know about that but my nigga smell this, we sell this

And fix in the parking lot of the Celtics, Boston Garden got Boston problems,

That George young up and down shit, we force them robbin

They told em no come around, can't walk in Harlem

So we moonwalk down every block flossin on em.

(Who's bad?)

(Hook x2)

Niggas wasting their time, I gotta get mine,

All day on the grind, I gotta get mine,

Bitch nickels and dimes, I gotta get mine,
Yeah I gotta get mine, you already know Slime.

(Verse)

All over sudden niggas tough you know that ain't good,
Finding on the block, much that mean I ain't hood,
Paid in full like AZ but ain't wood,
I play to role goldey P, I'm a straight bull,
3 80 pool, waving that at your students,
Youngins ain't got the heart, old niggas was making
them shoot it
It was pumping if I'm from the start, old niggas making
me move it
Break of day in the park, old niggas drinking and
wooping
Playing card cars maneuvering, most haters the
movement,
I'm from A life you could lose it,
You brung the mike I'll abuse it,
I'm dumb nice that I'm stupid, so retarded you
garbage,
I fuck with none of your music,
On your carpet departed, that's always done with the
shooting,
Don't worry bout it, I got it,
I hit em once in his deuces, peace
I always come in exclusives, don't put me on,
Never wait on love for the new shit.

(Hook x2)

Niggas wasting their time, I gotta get mine,
All day on the grind, I gotta get mine,
Bitch nickels and dimes, I gotta get mine,
Yeah I gotta get mine, you already know Slime.

(Verse)

I gotta get mine, you gotta get yours
I gotta get mine, you gotta get yours
I'm trying yo get mine you should be trying get yours
Stop watching mine 'cause I'm not watching yours,
Nigga I'm cold, nigga I floss
I have all the wolves out, black hoods out,
Nigga I'm good out, go to good out,
'Cause I don't give a fuck like going wrong,
Eye pulls out.

(Hook x2)

Niggas wasting their time, I gotta get mine,
All day on the grind, I gotta get mine,
Bitch nickels and dimes, I gotta get mine,
Yeah I gotta get mine, you already know Slime.
