Pop bottles if you work it, waste dollars purpose,  
Blow it fast Summer trucks can't follow our horses,

can follow the versus,  
I'm the man now, I'm the man now

I get ain't now let me hear the fan loud  
Got the inside sand brown start it up room room get the  
land crowd  
Weed is my damn pal  
Keep the broads coming,  
We're in the club two minutes keep the cars runnin'  
You want me to start frontin touch the handle unlock no  
car button

I got a man's down, I'm the man down,  
I got the man's down, I'm the man down,  
I got the man's down, I'm the man down,

I got a man's down, I'm the man down,  
I got the man's down, I'm the man down,

Lot of thing, lot of fame let the chain gloo  
Let it rain, let it aim let that thing go!

I got a man's down, I'm the man down,  
I got the man's down, I'm the man down,

I got the man's down, I'm the man down,  
I'm the man now, I'm the man now.  
I got a man's down, I'm the man down,  
I got the man's down, I'm the man down,  
I got the man's down, I'm the man down,

We get it fast spending fast relaxing, most of you  
niggas procrastinating  
Addition that trash cans so put them in trash cans  
what's popping what's happening  
Trapping out for the gutter plus I'm a Mack man

I got a man's down, I'm the man down,  
I got the man's down, I'm the man down,  
I got the man's down, I'm the man down,  
I'm the man now, I'm the man now.  
I got a man's down, I'm the man down,  
I got the man's down, I'm the man down,  
I got the man's down, I'm the man down,  
I'm the man now, I'm the man now.
