(Bridge)

Yes you be no more heart  
Yes you be no more heart  
Yes you be, yes you be, yes you be

(Verse)

Dope bitch, I call er lady heroine  
Met er at the stadium, movin yay out in Maryland  
We stayed together, then handle weight, she would  
measure it  
Mean but elegant, hustling, I kept a dozen then  
She a veteran to this game, have many names  
Checkin my swag, she used to niggas in 20 chains  
Have plenty grass, we getting higher than any plane  
My Mary Jane€ (baby won't you€ ?)  
I can't wait for that day to see you in Vera Wang  
A wedding gown, no white gown, I marry same  
Here's the toast, champagne poured over everything  
You're my everything, I said it, you're everything

(Bridge)

Yes you be no more heart  
Yes you be no more heart  
Yes you be, yes you be, yes you be

(Hook)

She love me, she love me not  
She love me, she love me not  
She love me, she love me not  
I think she love but she could love me not

(Verse)

You fucked up, you know you fucked up  
You try to hide as soon as I pull the fuck up  
Deep inside, could tell that you was fucked up  
If you gon riot stop askin did I fuck er  
Huh! 'Cause you startin to get behind yoself  
You a lost soul, you still tryna find yoself  
You need dough, you stress but never mind the wealth  
You rather be wife like only a diamond help  
But you know what I hate the most?

How you could settle for less soon as I say I'm ghost  
Like you ain't hard to impress, not even daddy broke  
Baby you dope, when I heard I thought they made a  
joke

Hah! That's my word, we 'pposed to make a toast  
Like when you marry me yes, and then we leave the  
coast

Food for thought and even so  
You don't even to approach, this here is just deeper  
though  
Tell emâ€¦!

(Bridge)

Yes you be no more heart  
Yes you be no more heart  
Yes you be, yes you be, yes you be

(Hook)

She love me, she love me not  
She love me, she love me not  
She love me, she love me not  
I think she love but she could love me not

(Verse)

As I'm remembering bitches I used to wanna fuck  
Now DM in me instant but I don't wanna fuck  
Made your mama proud, she wanted us  
Promised to never look down soon as my money up  
Yup! I want school, baby like take notes  
Spit game that stuck to em like Dre quotes  
Shoot game crack, you straight dope  
How you can be so wavy but you hate both?  
Still don't know what to do wit you  
The prettiest girl can make my life as beautiful  
That's 'cause it's mutual, take to tell me I shoot at you  
She catch me slippin, she driven without a Subaru

(Bridge)

Yes you be no more heart  
Yes you be no more heart  
Yes you be, yes you be, yes you be

(Hook)

She love me, she love me not  
She love me, she love me not  
She love me, she love me not  
I think she love but she could love me not

Listen to meâ€¦!  
Listen to meâ€¦!  
Baby won't youâ€¦?!

Listen to me!;
