You could lose your life
You could lose your life
You better get it right
You could lose your life
You could lose your life
You better get it right
You could lose your life
You could lose your life
You better get it right

Alright alright alright
Wake up in the club
When you see a sex line
Turn a few dimes just am and G ,
You all wanna .. you can see why
Your boy be .. none of them be ,
Bring the set high
You can't speak? ,
When the .. spike me keep them for a ..
I wanna see you wifie .. you could lose your wife

You could lose your life
You could lose your life
You better get it right
You could lose your life
You could lose your life
You better get it right
I am on the trap ,
Sitting on a .. move away ..
Is the .. tested all night
Shorty you .. body you shake ..
