

Varsity Girls "Be You"

Visit "[Be You](#)" on MotoLyrics.com

Why you keep worrying so much?
No matter what it will never be enough
It's not a race so why you tryna catch up?
You shouldn't do it for them
You should do it just because
Whoa ohh

You don't really wanna look like that
You didn't even want a leather bag
You only got it cause they said
That's what you should have
You really cut your hair
Went and bought the same clothes that they wear
And I don't think it's fair
You got to walk around scared

Scared to be you
Scared to be who
Exactly who you wanna be
It's crazy
Scared to be you
Afraid to do
Whatever you want
Whatever you want

Be you ooo, ooo, ooo
Be you ooo, ooo, ooo
Be you ooo, ooo, ooo
Be you ooo, ooo, ooo
Be you

You want to be around them so much
But if you don't fit in
Then you're only gonna get stuck
Remember you used to think for yourself
But now you're just a robot
Controlled by everyone else

Come on you don't really talk like that
Who taught you how to walk like that?
Celebrity status twenty four hours a day
And you know you're feet are hurting really bad

Cause you ain't never worn shoes like this
You know it's true
And it's so sad that you're scared

Scared to be you
Scared to be who
Exactly who you wanna be
It's crazy
Scared to be you
Afraid to do
Whatever you want
Whatever you want

Be you 000, 000, 000
Be you 000, 000, 000
Be you 000, 000, 000
Be you 000, 000, 000
Be you

Go ahead and let it out, be you
And take the vow
Changing for no one
Say I'm, I'm never, never
No way I'm done
I always, always know where I'm from

Scared to be you
Scared to be who
Exactly who you wanna be
It's crazy
Scared to be you
Afraid to do
Whatever you want
Whatever you want

Be you 000, 000, 000
Be you 000, 000, 000
Be you 000, 000, 000
Be you 000, 000, 000
Be you

Scared to be you
Scared to be who
Exactly who you wanna be
It's crazy
Scared to be you
Afraid to do
Whatever you want
Whatever you want

Be you 000, 000, 000

Be you ooo, ooo, ooo
Be you ooo, ooo, ooo
Be you ooo, ooo, ooo
Be you

Be you, be you, be you
Be you, be you, be you
be you, be you
