They seemed impressed by the way you came in,
tell us, as story, i know yer, not boring
i was afraid that you were not in test,
you sound so sleepy, just take this, now leave me

i said please dont show me now, am i going to fast,
your in a strange, part of our town,

yeah, the nights not over your not trying hard enough,
our lives are changing lanes yeah, ram me off the
road,
the wait is over im now taking over, your, no longer life,
and im not, driving fast enough,

(solo)

now every time that i look at myself,
i thought, i told ya, this world is, not for ya,
a room is on fire, she sticks in there,
you sound, so angry, just calm down, you found me,

i said please dont show me now, am i going to fast,
your in a strange, part of our town,

yeah, the nights not over your not trying hard enough,
our lives are changing lanes yeah, ram me off the
road,
the wait is over im now taking over, your, no longer life,
and im not, driving fast enough.
