I waited for ya
I waited for ya
I waited on ya
But now I know
You didn't see it
I didn't see it
I didn't see it,
But now oh, I do!
I play your game
I play your game
No! I play your game!

I take my chances alone!
Get on your horse and be gone
I did not wait for you anymore!
So you can ask me if something is wrong
Will you go?
I don't know anymore!

When the night isn't ready for you
It's a feeling I know it dogs you
They invited a stewardess, too
Now they want you to see it.
Here's two days, he decides he's got time
And he claims that it's not a surprise
When he finds that the truth's on his side!
I take my chances alone!
Get on your horse and be gone
I did not wait for you anymore!
So you can ask me if something is wrong
Will you go?
I don't know anymore!

I take my chances alone!
Get on your horse and be gone
I did not wait for you anymore!
So you can ask me if something is wrong
Will you go?
I don't know anymore!
I don't believe anyone
As I crawl on my way!

Waiting for the night
Leaving night by night
You can see me travel
We can be in trouble every night
We're having a new life!
