#### HAWAII ALOHA LYRICS - THE STROKES

Whether you're in L.A.,  
Sunny laid back L.A.  
Whether you're in New York,  
Comfort 'round your block.  
Whether you're in the U.K.,  
Where the sky is dark  
And the grass is kinda green,  
You know like Central Park.

Still my favorite place in this whole wide world  
Has got to be in the middle of the ocean floor.  
I see you poking out of the ocean, Paradise on Earth.

The 50th state - WHAT?!  
Hawaii.

Ooooooh Oooh  
Oooh Oooh Oooh  
I wanna live in somewhere different.Oh oh oh  
A nuclear distaster might be on our way.  
But I don't care, I'm in the U.S.A.

Whether you're drunk or stoned  
or we're sober and old,  
if I'm with you I'm a happy man.  
If you feel safe and cold  
while you count your gold.  
If your problem is you can't find  
your remote control.

Still my favorite person in this whole wide world  
is the woman who can understand every word  
and when she speaks to me, she makes me  
see the world  
As my favorite place...  
Hawaii.

We got it made  
Oh Oh Oh Oh

Yes, I know  
Can we go  
By plane or boat  
Oh Oh Oh Oh

Whether you take it slow or you let me go  
Whether you tell me something that i did not know  
Whether you're neat and polite or you scream and fight  
Whether you keep something from me that i would not  
like

Still my favourite attitude in this world so far  
Is the friendly spirit of an iron heart  
I like the way folks are in this most special place  
I don't care what happens I'm taking a plane

Hawaii Ha Aw Wa II !!  
Hawaii Ha Aw Wa II !!  
I said  
Hawaii Ha Aw Wa II !!  
I said  
Hawaii Ha Aw Wa II !!  
I said  
Hawaii Ha Aw Wa II !!

Kauai or Oahu  
Molokai or Lanai  
Maui and the big guy,  
a.k.a. Hawaii  
Hawaii Ha Aw Wa II !!

Hawaii  
Ha Aw Wa II !!

Ooooooh Oooh  
Oooh Oooh Oooh  
All I want to do is something different  
Oh let me in  
Oh, Cut off from Malaysia  
Back in who knows when  
Oh we got kinda lost  
But my god What a place!  
I profess  
Airforce jets  
Cannot take  
Away my soul
