Hey Strong Bad, you wanna hear my song?
Hi! No!
Ok, here we go!
I said no.
Ooo, that sound gorgeous!
I'm very sensitive, to birds
What?
I'm very sensitive, to trees
Them falling on you?
I'm very sensitive to all these things,
But I'm especially sensitive, to bees
Hey I'm the Bee
Yeah, I really really really like bees
I really really think your making this up as you go
Have ever walked outside?
And noticed that their really pretty cute? (And got run
over by a big truck)
They like to fly around and eat your fruit (Oh, fruit and
cute, good rhyme)
But it's ok cause their cute
Oh, cute and cute, that's even more advanced
Yeah, it's ok cause their cute
Cute, cute, and cute! There's a poet...
Buzz!
What?
Ouch! Buzz!
What are you doing?!
Ouch! Buzz! Buzz! Buzz!
Stop that!
Ouch!

I've heard some people say
You should really quit playing this song
That you can't count on a bee to pay
Oh, well I will agree with that one
Gotta good point there
And they will nip you in the eye
And all they wanna do is fly really high (SB joins in
singing)
Hey guys!
But you gotta love them anyway

What are you doing?
Are you guys singing a song?
I don't care what they say any more
Cause I really really do love bees/trees (HR joins in
singing)
All together now
Ok
Yeah I really really really like bees / really like to play
with trees
And ants!

Alright, don't tell anybody that I sang with you
Ok
But you can tell them I did
No thanks!
