"Would everyone please rise for the presentation of
our national colors"

Oh!
Oh I like that!
Oh yeah!
Come to the place where the tropical breezes blow
Come to the coolest place I know
The people are so great
But really there's only me
And that means I'm so great
And also there's The Cheat
Oh there's The Cheat!
The place where the tropical breezes blow
The Cheat!
In the coolest place I know
The one's are always cold
And parties last all night
And probably lots of chocolate
And population tire
POPULATION TIREEEE!!!
