Coach Zee, Coach Zee, one two one two
Coach Zee, One two one two
Coach Zee, Coach Zee, one two one two
Coach Zee, One two one two

These peoples-
These peoples-
These peoples try to fade-

(Fade me)

These peoples try to fade me
(I can't handle it)
Call me on my cell phone
(I get busy)

Coach Zee's got money
But not much

I could use a dollar
I could use a couple bucks

I'm so Old-School
(One Two, One Two)
They tore the school down
(One Two, One Two)

Where my lazars at?
(Where my lazars at?)
Where my lazars at?
(Y'all)

Where - My - Lazars at
All the peoples try to tell me where my lazars at
And your mother tried to show me all the lazer crabs
And I got a bunch o' types about the lazer dabs

These peoples try to fade me
(I can't handle it)
Call me on my cell phone
(I get busy)

I got to see the sweet doctor
(I'm doctor sweet)
I got to see the sweet doctor
(I'm doctor sweet)

I got the grown-up beats
(I'm doctor sweet)
I got the grown-up beats
(I'm doctor - doctor - doctor - Beats)

These peoples-
These peoples-
These peoples try to fade-

I can flow
I can freak
I can freak and flow at the same time
