"Two Kinds Of Happiness"

Visit "[Two Kinds Of Happiness](#)" on MotoLyrics.com

Happiness is two different things
What you take and then what you bring
one is pleasure, one is the discipline
one's devotion, one's just a ring

desire and reward
Long term, and short term joy

Don't waste your heart
Don't waste your heart
One has nothing to do with the other
And the world is all cousin's not brother's

Hard to take you off of my love
one's an instant, one takes some will
one gives you life and one makes you kill
one's the means and one's for the end

desire and reward
Long term and short term joy

Don't waste your heart
Don't waste your heart
one has nothing to do with the other
And the world is all cousin's not brother's

Don't you give in
you're beginning
