p.s. if i may ask why
when will they be tired
we stayed up, all night
tryin tryin

i see them and they see me
why werent they inspired
yes i know, that maybe we dont
listen listen

oh, i never needed anybody
i never needed anybody
i never needed anybody
i never needed anybody
oh dont worry bout it honey
i never needed anybody
i never needed anybody

hes lyin i say dreams that fall
and god sent them tossed
cuz if the wrong girl gets lost
give them their thoughts

thinkin bout their high school dance
worried bout the final
yes i know
that baby we wont
give up give up, stop.

talkin in their trends of old
yes i start the fire
whoa oh no, oh baby we wont
listen listen

i never needed anybody
i never needed anybody
i never needed anybody
i never needed anybody
i dont worry bout it honey
i never needed anybody
i never needed anybody

hes lyin i say decide
and give them a chance
cuz when the old man gets caught
girls try to hard

this is the night
