Got me doing all the things I said I wouldn't do,
And all my other girls be looking like who the fuck is
you.

Jealous on the time we've been standing,
Cause they don't hold my interest, I can't help it.

I fucks with you, I fucks with you,
I fucks with you, I fucks with you,
I fucks with you, girl I fucks with you.

You got me strong, girl, keep me coming back.
Oh, you're my fun girl, we be kicking back.
You're like my homie, except you're fine as hell,
Except you're fine as hell,
Mama cooking these well.

You got that whole cake, so I blow you out,
We spend the whole day, we might never leave this
house.
You'd be tripping on these chickens,
Trying to get all up in our business,
You keep it tight, I salute you,
That body right, I applaud you.

Got me doing all the things I said I wouldn't do,
And all my other girls be looking like who the fuck is
you.

Jealous on all the time we've been standing,
Cause they don't hold my interest, I can't help it.

I fucks with you, I fucks with you,
I fucks with you, I fucks with you,
I fucks with you, girl I fucks with you.

When it's you and it's me we don't got nobody to
impress,
Just sex, no stress, can't say the same about my ex.
When I call, you pick up your phone,
When I call you know it's time to go.
I ain't gotta say, you already know, you already know to
keep me on the roll.

You got a girl crush on Cassie, uh, you so nasty,
It's okay, I like it, that shit get me excited.
Bitch, you so crazy, and don't take that personal,
Cause you know you're my baby.

Got me doing all the things I said I wouldn't do,
And all my other girls be looking like who the fuck is
you.
Jealous on all the time we've been standing,
Cause they don't hold my interest, I can't help it.

I fucks with you, I fucks with you,
I fucks with you, I fucks with you,
I fucks with you, girl I fucks with you.

You got me strong, girl,
Oh, you're my fun girl,
You're like my homie,
Except you're fine as hell,
Except you're fine as hell.

Got me doing all the things I said I wouldn't do,
And all my other girls be looking like who the fuck is
you.
Jealous on all the time we've been standing,
Cause they don't hold my interest, I can't help it.

I fucks with you, I fucks with you,
I fucks with you, I fucks with you,
I fucks with you, girl I fucks with you.
