(Verse)

You're finer than the finest one
Sitting for the longest time
Baby, what's on yo mind?
Pretty face, slim waist and a nice behind
Love when you dance because you look behind
And you shine more than a little bit
Come closer, we could get acquainted
Intimate, show me that you're interested
I wanna see you get into it

(Chorus)

Let's do it, let's do it (all night, all night)
(I just wanna see you get into it)
Let's do it, let's do it (all night, all night)
(I just wanna see you get into it)
Let's do it, let's do it (all night, all night)
(I just wanna see you get into it)
Let's do it, let's do it (all night, all night)
(I just wanna see you get into it)

(Verse)

Ready, set, go, hit the floor
I got some moves you never seen before
Step 1, step 2, 3, 4
You ain't got nothing on me,
No, no

(Pre-Chorus)

With the rhythm running through my veins
When the music hits, you feel my pain yea
It's automatic
Tell me, can you feel the magic?
Let it take us higher than a plane
Tonight I ain't worried bout a thing, girl
Let's make it last forever

(Chorus)

Let's do it, let's do it (all night, all night)
(I just wanna see you get into it)
Let's do it, let's do it (all night, all night)

(I just wanna see you get into it)
Let's do it, let's do it (all night, all night)
(I just wanna see you get into it)
Let's do it, let's do it (all night, all night)
(I just wanna see you get into it)

(All night, all night)
(All night, all night)

(Verse)
I'm just chillin with my Shawty
Sippin Rose or Baccardi
It goes ladi dadi, we like to party
We don't cause trouble, we don't bother though
Let the beat run through yo soul
No holding back, it's time to lose control
Let's get this started! Started!
It's time to party,
Move yo body, let's get it poppin, poppin
We keep the club rockin rockin

(Pre-Chorus)
With the rhythm running through my veins
When the music hits, you feel my pain yea
It's automatic
Tell me, can you feel the magic?
Let it take us higher than a plane
Tonight I ain't worried bout a thing, girl
Let's make it last forever

(Chorus)
Let's do it, let's do it (all night, all night)
(I just wanna see you get into it)
Let's do it, let's do it (all night, all night)
(I just wanna see you get into it)
Let's do it, let's do it (all night, all night)
(I just wanna see you get into it)
Let's do it, let's do it (all night, all night)
(I just wanna see you get into it)

(All night, all night)
(All night, all night)

I'm just chillin with my Shawty
Sippin Rose or Baccardi
Chi-chi-chi-chillin with my Shawty
Sippin Rose or Baccardi
It goes...
It goes...
Rose or Baccardi

(Chorus)

Let's do it, let's do it (all night, all night)

(I just wanna see you get into it)

Let's do it, let's do it (all night, all night)

(I just wanna see you get into it)

Let's do it, let's do it (all night, all night)

(I just wanna see you get into it)

Let's do it, let's do it (all night, all night)

(I just wanna see you get into it)

(All night, all night)

(All night, all night)
