You got a spell on me, on me
You put a spell on me, on me, on me, on me
You got a spell on me, on me
You put a spell on me, on me, on me

Started out sipping, ended up tripping
Now a nigga tripping, tripping, uh, oh, oh
The way your bootie moving like her back flipping
When I pull her over right to give it
Uh, baby you got me so in the mood
And I'm feeling like you're on my...
But at the end of the day I got a girl at home
So I can't spend in more time!

You got me trapped inside of this place
And I don't wanna leave!
What's inside of this drink that you gave me?
Cause this is gonna be hard for me to explain,
I know exactly what I'm doing, but I can't seem to pull
the breaks!

Hook:
You put a spell on me
Pulling me down
Bringing me back,
Turning me out!
Oh, oh, oh
Yeah, I'm trying to leave, but I can't go!
Whatever you want, can't say no!
Oh, oh, oh, oh!

Yeah, I'm going in it, she got my head spinning
Love what I'm seeing, seeing, uh, uh!
She dropping and I'm lifting, and I'm smacking and she
ticking
And in oh, defense!
So if my girl only knew about anything we do
Then I know she would be long gone, uh, uh
But she got me under control, control
And I'm trying to find my way home!

You got me trapped inside of this place
And I don't wanna leave!
What's inside of this drink that you gave me?
Cause this is gonna be hard for me to explain,
I know exactly what I'm doing, but I can't seem to pull
the breaks!
Hey, hey, hey!

Hook:

You put a spell on me
Pulling me down
Bringing me back,
Turning me out!
Oh, oh, oh
Yeah, I'm trying to leave, but I can't go
Whatever you want, can't say no!
(Can't say no, I just can't say no!)
Oh, oh, oh, oh!
You put a spell on me
Pulling me down
Bringing me back,
Turning me out!
Oh, oh, oh
Yeah, I'm trying to leave, but I can't go
Whatever you want, can't say no!
Oh, oh, oh, oh!
(You got a spell on me!)
I'm trying to leave, I can't go
