Chorus:

Take home tonight
I just wanna run away to the morning light
Take me home tonight,
I just wanna run away, is just all right!
Be my little baby, be my little baby,
Be my little baby, be my little baby,

Baby you are, bright as the sun,...
As bad as you are, you are,
Just perfect from your head right down to your toe
there is no one I wanna love, but you, uh, uh, uh

So let's get... find a thousand ways to your place
Uh, uh, uh I hop into your ride to take mine,
So what you say?

Chorus:

Take home tonight
I just wanna run away to the morning light
Take me home tonight,
I just wanna run away, is just all right!
Be my little baby, be my little baby,
Be my little baby, be my little baby,
