First... what you want
And it won't take long
To the dancing deep inside your thumb
I wanna hear the song melody so strong
Top of this beat is right where you belong
'Cause I love it when you start to play
And I'm feeling any word that you say
And every way you're talking to me
And I hear loud and can get what I need

Uh I love the way you sound I'm so happy that I turned you on I don't ever wanna turn you down Keep my... pumping it loud So turn my music up up up up up up Turn my music up up up up up up Turn my music up up up up up up Turn my music up up up up up up Turn my music up up up up up Turn my music up!
