You like that?..we gone

Drama..Verse Simmonds

(Planet VI)

Ahh Yeahh..OK!

I know that you get bored wit' it, tired of all that
babysittin

You wanna try some new shit

I'm the one who can do that

I'm a vaca. he a field trip,

On the toes, that new shit

May not be what you used to

But you think about me

(Verse Simmonds)

I know you're not the type to do this ever

Guess this is why they say never say never

Try to do something you didn't expect

It really had you wondering, what's next?

I know that you're lonely, I feel the way you hold me

Deep down inside girl, I wanna be your only

Because I'm more than love, oh yeah

Tell me who do you love?

Who do you love? Who do you love?

Is it me that you love, me that you love

Tell me who do you love?

Who do you love? Who do you love?

Cause it me that you love, me that you love

oh, Who do you love? Who do you love?

Is it me that you love, me that you love

Tell me who do you love?

Who do you love? Who do you love?

Is it me that you love, me that you love

Who do you love? Who do you love?

Is it me, is it me, is it me, yeah, whoa

(Planet VI)

You already knowing me there ain't no competition

Think I'm tripping then baby follow your intuition

Now your mind is the opposite of what your heart is
feeling

But you ain't never met somebody like me

Who's about you and not addicted to many other
women

Listen I'm far from being a hater but you can't be slipping
For niggas that's trying to spend some paper just so they can hit it, and quit it
So tell me baby what it's gonna be
(Musiq)
Hey Shawty, I really need for you
Just make up your mind
No matter what you want, just choose cause
You can't play both sides no
Cause if you don't make your decision
Someone gonna get hurt now
So please, baby please, let me know ,
...if not then I gotta go so...
Who do you love? Who do you love?
Is it me that you love, me that you love
Tell me who do you love?
Who do you love?
is it me that you love, me that you love
oh, Who do you love? Who do you love?
Is it me that you love, me that you love
Tell me who do you love?
Who do you love? Who do you love?
Is it me that you love, me that you love
Who do you love? Who do you love?
Is it me, is it me, is it me, yeah, whoa
(Verse Simmonds)
Take your time, make up your mind
But hurry up, cause there's a line
We holdin traffic, thought you were in love
But he lost the magic, we found the mattress
And now we fucking up the fabrics
Learning each other's bad habits
She said he ain't the way he used to be
I said baby you should get used to me
Young Verse ... Ninfo, Virgo ,I'm him tho,
Baby I told you from the intro
I'm the one, so why you still with him though? Huh
Guess you enjoy wasting time, ah
But Time is money so you won't be wasting mine
Who do you love? Who do you love?
Is it me that you love, me that you love
Tell me who do you love?
Who do you love? Who do you love?
Cause it me that you love, me that you love
oh, Who do you love? Who do you love?
Is it me that you love, me that you love
Tell me who do you love?
Who do you love? Who do you love?
Is it me that you love, me that you love
Who do you love? Who do you love?

Is it me, is it me, is it me, yeah, whoa.
