"Baby What You Trying To Do"

I'm standing in the sun, waiting for the rain.
Thinkin' bout my girl, but I can't recall her name.
What's your name baby!

I'm walking all alone, I'm standing in the sun.
I'm thinking about my life, but it's barely just begun.
Yeah, I wanna run.

Baby what you trying to do, baby what you trying to do?
Baby what you trying to do, I never thought I'd lose with
you.
But now I do.

I'm waiting for my love, just swallowing my pride.
Baby won't you take me on a psychedelic ride.
A ha, I wanna hide.

You want a lot of love, I really must confess.
I can give it to you, but you won't undo your dress.
Yes! Oh yes!

Baby what you trying to do, baby what you trying to do.
Baby what you trying to do, I never thought I'd lose with
you.

Baby what you trying to do, baby what you trying to do?
Baby what you trying to do, baby what you trying to do?
Oh give it to me!

I'm standing in the sun, waiting for the rain.
Thinkin' bout my girl, but I can't recall her name.
What's your name baby!

I'm walking all alone, I'm standing in the sun.
I'm thinking about my life, but its barely just begun.
Yeah, I wanna run.

Baby what you trying to do, baby what you trying to do?
Baby what you trying to do, you see I never thought I'd
lose with you.

Baby what you trying to do, baby what you trying to do?
Baby what you trying to do?
