This is for them booming systems  
Them booming systems that got that base  
This is for them booming systems  
Them booming systems that got that bump-d-bump-d-bump  
This is for them booming systems  
Them booming systems that got that base  
This is for them booming systems  
Them booming systems that got that base to make you say

[Verse 1:]

I got the meanest urge to  
Get in the club tonight  
Call up my girls tell 'em drop what you're doing  
Meet up and lets ride  
And I ain't felt this way since that  
Boy ended up inside  
But tonight, I'mma make it happen  
And I, do what feels right

[Hook:]

And I swear that it's gon' feel so good  
You know you should (Yeah)  
Fix your hair, slip on your brand new shoes  
You sure look good (Uh Huh)  
All I know is that  
Its gon' be on, I'll be gone  
I don't care if you don't call  
'cause I'm doing me  
Ladies

[Chorus:]

Oh!  
If he made you sad  
If he made you cry  
Get up on your feet  
Get down tonight  
Get down tonight  
Oh!  
Baby don't feel bad (Yes)

'cause it's only right  
That you get on your feet (Teairra Mari)  
Get down tonight  
Get down tonight

[Verse 2:]

And don't you worry 'bout tomorrow  
Lets get out tonight  
And tell the DJ play my song  
I'm trynna catch a vibe  
And if you don't mind boy, then I'm alright boy  
I'mma be just fine, and I'mma get on down  
I ain't thinking 'bout you no (Noo)

[Hook:]

And I swear that it's gon' feel so good  
You know you should (Yeah)  
Fix your hair, slip on your brand new shoes  
You sure look good (Uh huh)  
All I know is that  
Its gon' be on, I'll be gone  
I don't care if you don't call  
'cause I'm doing me  
Ladies

[Chorus:]

Oh!  
If he made you sad  
If he made you cry  
Get up on your feet  
Get down tonight  
Get down tonight  
Oh!  
Baby don't feel bad  
'cause it's only right  
That you get on your feet  
Get down tonight  
Get down tonight

This is for them booming systems  
Them booming systems that got that base  
This is for them booming systems  
Them booming systems that got that bump-d-bump-d-  
bump  
This is for them booming systems  
Them booming systems that got that base  
This is for them booming systems  
Them booming systems that got that base to make you  
say

[Chorus:]

Oh!  
If he made you sad (If he made you sad)  
If he made you cry (If he made you cry)  
Get up on your feet  
Get down tonight  
Get down tonight  
Oh! (Ohh)  
Baby don't feel bad (Baby)  
'cause it's only right (Yeah)  
That you get on your feet  
Get down tonight  
Get down tonight (Get up on your feet tonight)
