"Little Miss Heaven"

I am the saviour, I said yes I am the truth.
Get down on that floor now child, tell me what your lies
will do.
Dance for your life, boy! Dance for the truth yeah.
Get down on that floor now child, let me steal your soul
from you.

Life is changing right before your eyes.
Oh come on baby are you hypnotised?
Looking at you mamma, what did you say.
Oh you gotta remember baby.

I am the saviour, I said yes I am the truth.
Get down on that floor now mamma, tell me what your
lies will do.
Dance for your life, Dance for the truth yeah.
Get down on that floor now child, let me steal your soul
from you.

In this world that's slowly sinking down,
There's not much left of me to fling around.
I'm looking at you mamma, your misty eyes.
I gotta remember baby

Every time your Drivin'.
Get ahead of the race.
And let it go to your face.
You come here with that smile on your face!

Yeah! Give it up I'm gonna give it up Yeah!
Yeeaaaahhhhhh! (yeah)

Yeah I am the saviour, I said yes I am the truth.
Get down on that floor now mamma, tell me what you
lies will do.
Dance for your life yeah, Dance for the truth yeah.
Get down on that floor now child, let me steal your soul
from you.

Cause a, I'd really like to tell that a, ahh I coming down,

Yeah.
