You running out of luck, yea ya stars are not aligned
And now, played the last game with you for the last
time
Threw the cards on the table can't take another round
Got these chicks callin me it's about to go down
You messy, I can't take a man who can't get his stuff
together
Can't get his words together (you can go into whatever)
Keep my name out ya mouth, yeah the door has been
closed
Every chick had yours, baby that's a no no

[Bridge]

Gotta take it babe, you've been warned, so you know ya
gotta go
To caught up in the wrong, oh no
Get ya bags and run, said ya messin with the wrong
one
Take ya back and let it go, oh hell no

Chorus:

That's a no no, no talking to me, no more causing
drama (no) no loving from me any time ya wanna
(that's a no), No getting with me, no more causing
drama (that's a no no, no, no no, no no no)

[Repeat Chorus]

Did ya didn't think I'd find out, she was chilling at the
house
Yea ya tried to clear it up, baby I don't give a what
Boy ya know ya free to go, changing what was wrong
before
Thought it was about you, boy ya acting brand new
Save ya money, flowers and cards it aint working out
Aint no kisses for ya go (that's a no no)
You can have ya stuff back, you can have ya pictures of
But cha can't have my love, oh no no

Gotta take it babe, you've been warned, so you know ya
gotta go
To caught up in the wrong, oh no

Get ya bags and run, said ya messin with the wrong
one
Take ya back and let it go, oh hell no

Chorus:

That's a no no, no talking to me, no more causing
drama (no) no loving from me any time ya wanna
(that's a no), No getting with me, no more causing
drama (that's a no no, no, no no, no no no)
[Repeat Chorus]

I thought about it I don't want it, I don't need it, naw
The games, the problems, the drama, yea they can
have it all
So I don't know why y keep callin my phone, mightest
well leave me alone, cuz ya know I'm a say no
And quite frankly I'm sick and tired of your bull shh, my
time is exclusive, ya lying is useless
A ha ha, and right now I'm on my new shh, I'm not on
you shh, a no no

Chorus:

That's a no no, no talking to me, no more causing
drama (no) no loving from me any time ya wanna
(that's a no), No getting with me, no more causing
drama (that's a no no, no, no no, no no no)

I can't take no more, no means no, I'm out the door,
