Yeah, ah ha, you know what it is
Everytime I do it, I do it big
Yeah, ah ha, you think that's stuntin?
You gotta get that [?] dress back, stop frontin
I'm in my own world, and I'm getting everything
The way I want it [x4]
Ooohh
And now I'm everything these hoes will never be
They ain't nothin [x4]

Thought that I was gone, they ain't think that I ever was
ever comin back,
Back, back
I hear these bitches little songs, can't believe they
going out like dat,
Ey, ey
I hear a lotta shit talking, I don't see too much walking,
when you see me
In your city then you know I'm getting dollars, yeah
I just signed my new warner contract

Cause they want me, they need me,
You hoes ain't doin enough, they see me
Cause I'm gettin it, I'm livin it,
And when you talk about swag, you know I'm killin
these bitches

Yeah, ah ha, you know what it is
Everytime I do it, I do it big
Yeah, ah ha, you think that's stuntin?
You gotta get that [?] dress back, stop frontin
I'm in my own world, and I'm getting everything
The way I want it [x4]
Ooohh
And now I'm everything these hoes will never be
They ain't nothin [x4]

See a little swagger I ain't never gonna follow your
trends, trends, trends
And If you think I'm talking bout you, if the shoe fits
well, girlfriend

I do my own thing, do it my own way
And if these hoes want trouble, call my DJ
I came a long way, from nothing
And now I wake up in the morning and just sayyy

Yeah, ah ha, you know what it is
Everytime I do it, I do it big
Yeah, ah ha, you think that's stuntin?
You gotta get that [?] dress back, stop frontin
I'm in my own world, and I'm getting everything
The way I want it [x4]
Ooohh
And now I'm everything these hoes will never be
They ain't nothin [x4]

From now on this is how it's gon be
Look at yourself, stop hating on me
I say from now on this is how it's gon go
I ain't never gon stop stuntin on these hoes
From now on, this is what it is
You gon get old, I'm gonna get rich, oh, yeah
Ain't got time to think about you, I'm doing me

Yeah, ah ha, you know what it is
Everytime I do it, I do it big
Yeah, ah ha, you think that's stuntin?
You gotta get that [?] dress back, stop frontin
I'm in my own world, and I'm getting everything
The way I want it [x4]
Ooohh
And now I'm everything these hoes will never be
They ain't nothin [x4]

Yeah, ah ha, you know what it is
Everytime I do it, I do it big
Yeah, ah ha, you think that's stuntin?
You gotta get that [?] dress back, stop frontin
I'm in my own world, and I'm getting everything
The way I want it [x4]
Ooohh
And now I'm everything these hoes will never be
They ain't nothin [x4]
