Is it safe to look within
And erase all that's been
And all that's been between
Is it gone, tell me what went wrong
'cause baby i'm not that strong

And I'm walking wounded
All Alone
All Alone

Are you comfortable and numb
Do they all succumb
to all those lies
Does it satisfy the greed
Is it all you need
Is it all you want
well baby i'm not that strong

And I'm walking wounded
All Alone
and baby i'm not that strong
And I'm walking wounded
All Alone
All Alone

How does it feel?
How does it feel?
baby, now
How does it feel?
How does it feel?

If your memories do stray
Then they'll betray all that's past
And all that's been between
Is it gone, tell me what went wrong
'cause baby I'm not that strong

And I'm walking wounded
All Alone
and baby i'm not that strong
And I'm walking wounded

All Alone
All Alone

How does it feel?
How does it feel?
baby, now
How does it feel?
How does it feel?

How does it feel?
How does it feel?

How does it feel?
How does it feel?
baby, now
