Yesterday's Feelings  
The Used

Close my eyes and move to the back of my mind where  
worries are washed out to sea  
See the changes peoples faces blurred out like the sun  
spots or rain drops

Now all those feelings those yesterdays feelings will all  
be lost in time But today i've wasted away for today is  
on my mind

Left the only worries i had in my hands away from the  
light in my eyes Holding tight and try not to hide how i  
feel cause feelings mean nothing

Now all those feelings those yesterdays feelings will all  
be lost in time But today i've wasted away for today is  
on my mind

I can't care to worry im feeling so lonely breaking apart  
all this love in my heart...
