I Caught Fire Lyrics

Artist(Band):The Used

Seemed to stop my breath, my head on your chest.  
Waiting to cave in  
From the bottom I might  
Hear your voice again  
Could we dim the sun  
And wonder where we've been  
Maybe you and me  
So kiss me like you did  
My heart stopped beating  
Such a softer sin

(I'm melting, I'm melting)  
In your eyes  
I lost my place  
Could stay a while

And I'm melting in your eyes  
Like my first time  
That I caught fire  
Just stay with me  
Lay with me, Now

Never caught my breath  
Every second I'm without you I'm a mess  
Ever know each other  
Trust these words are stones  
why cuts aren't healing  
Learning how to love

I'm melting (I'm melting)  
In your eyes  
I lost my place  
Could stay a while  
And I'm melting  
In your eyes  
Like my first time  
That I caught fire  
Just stay with me  
Lay with me

(Stay with me lay with me now)

You could stay and watch me fall  
And of course I'll ask for help  
Just stay with me now  
We could take our heads off  
stay in bed just make love that's all  
Just stay with me now

I'm melting (I'm melting)  
In your eyes  
I lost my place  
Could stay a while  
and I'm melting

In your eyes  
Like my first time  
That I caught fire  
Just stay with me  
Lay with me  
In your eyes  
I lost my place  
Could stay a while  
and I'm melting  
In your eyes  
Like my first time  
That I caught fire  
Just stay with me lay with me  
(Stay with me, lay with me)

In your eyes  
Let's sleep till the sun burns out  
I'm melting in your eyes (I'm melting in your eyes)  
Let's sleep till the sun burns out  
I'm melting in your eyes
