

The Used "Choke Me"

Visit "[Choke Me](#)" on MotoLyrics.com

As of now I'm down straight up
And I can turn to the box for some peace
Or a box for a piece, or a box for a smoke
But they're all gonna choke me

As of now I'm down straight up
And I can turn to the box for some peace
Or a box for a piece, or a box for a smoke
They're all gonna choke me

You're so crazy, you're so crazy
You're so crazy, enough in a way
That I'll probably say you destroyed me

It's like a fucking drug deal
I'm sitting here waiting
I'm calling you back
And you won't call me back

And it's fucked up
But at the same time
It just made me want you even worse

For a while I was cleaner than now
Then I started to destroy myself
With the things that I love now, the things that I hate
Until it finally broke me

You're so crazy, you're so crazy
You're so crazy, enough in a way
That I'll probably say you destroyed me

Fuck my ass, fuck my ass
Choke me, choke me, choke me
Choke me, choke me

As of now I'm down straight up
And I can turn to the box for some peace
Or a box for a piece, or a box for a smoke
They're all gonna choke me

You're so crazy, you're so crazy

You're so crazy, enough in a way
That I'll probably say you destroyed me
