Small, simple, safe price  
Rise the wake and carry me  
With all of my regrets  
This is not a small cut that scabs  
And dries, and flakes, and heals  
And I am not afraid to die  
I'm not afraid to bleed, and fuck, and fight  
I want the pain of payment  
What's left, but a section of pigmy size cuts  
Much like a slew of a thousand unwanted fucks  
Would you be my little cut?  
Would you be my thousand fucks?  
And make mark leaving space for the guilt to be liquid  
To fill and spill over, and under my thoughts  
My sad, sorry, selfish cry out to the cutter  
I'm cutting trying to picture your black broken heart  
Love is not like anything  
Especially a fucking knife

Look at me, you can tell  
By the way I move and do my hair  
Do you think that it's me or it's not me?  
I don't even care

I'm alive, I don't smell  
I'm the cleanest I have ever been  
I feel big  
(Feel big)  
I feel tall  
(Feel tall)  
I feel dry  
(Dry)  
Dry

Just look at me, look at me now  
(I'm a fake, I'm a fake, I'm a fake, I'm a fake)  
Just look at me, look at me now  
(I'm a fake, I'm a fake, I'm a fake, I'm a fake)

[Inaudible content]

Do I drink?

(Drink)

Do I date?

(Date)

I've got perfect placement all my ink

Satisfied in your eyes

I'm the biggest fan I've got right now

I made sure that I look how I wanted to look

The people around me

The people surround me

I feel big

I feel tall

I feel dry

Dry

Just look at me, look at me now

(I'm a fake, I'm a fake, I'm a fake, I'm a fake)

Just look at me, look at me now

(I'm a fake, I'm a fake, I'm a fake, I'm a fake)

Just look at me now

(I'm a fake, I'm a fake)

Just look at me now

(I'm a fake, I'm a fake)

[Inaudible content]

My stomach hurts now

All tied off in lace

I pray, I beg for anything

To hit me in the face

And this sickness inside me

And I pray to fall from grace

(I pray to fall from grace)

The last thing I see is feeling

And I'm telling you I'm a fake

I'm telling you I'm a fake

I'm telling you I'm a fake

I'm telling you I'm a fake

I'm telling you I

Just look at me, look at me now

(I'm a fake, I'm a fake, I'm a fake, I'm a fake)

Just look at me, look at me now

(I'm a fake, I'm a fake, I'm a fake, I'm a fake)

Just look at me now

(I'm a fake, I'm a fake)

Just look at me now

(I'm a fake, I'm a fake)

Fake, fake, fake, fake

Tell you I'm fake
