Surprise me, I'm looking out, looking out
Surprise me, you jump back up on to your feet
somehow

Surprise me, I'm looking out, looking out
Surprise me, you jump back up on to your

Things appear gone, things appear gone

Where'd you go?
Seems like your better half said it all
You're wonderful
Seems like your better half said it all

Surprise me, I'm looking out, looking out
Surprise me, you jump back up on to your feet
somehow

Surprise me, I'm looking out, looking out
Surprise me, you jump back up on to your

Things appear gone, things appear gone

Where'd you go?
Seems like your better half said it all
You're wonderful
Seems like your better half said it all
Wonderful, wonderful, wonderful, wonderful

Angels can fly
Motivation, motivation
(Gulp)
Things appear gone, things appear gone, things
appear gone

Where'd you go?
(Where'd you go?)
Seems like your better half said it all
You're wonderful
(You're wonderful)
Seems like your better half said it all

Where'd you go?
Seems like your better half said it all

You're wonderful
Seems like your better half said it
