Your dream vacation, smile hostage refuge A work in progress, you bleed Just like you puke while running a mile

I beg to differ, make me an offer Warm summer rain, you bleed Just like you puke while running a mile

Hey, are you okay? You look pretty low, very handsome awkward Do you feel okay? You look pretty low, very handsome awkward Handsome awkward

Your market value, your resurrection Your shallow concept Help yourself, I hope you choke and you die

I know you meant it, nice fucking disguise so hollow Embrace the burn, you bleed Just like you puke while running a mile

Hey, are you okay? You look pretty low, very handsome awkward Do you feel okay? You look pretty low, very handsome awkward

You look pretty low You look pretty low

Your dream vacation, smile hostage refuge A work in progress, you bleed Just like you puke while running a mile

I beg to differ, make me an offer Warm summer rain, you bleed Just like you puke while running a mile Handsome awkward

Hey, are you okay? You look pretty low, very handsome awkward Do you feel okay? You look pretty low, very handsome awkward

Hey, are you okay? You look pretty low, pretty low Pretty low, pretty handsome awkward

Do you feel okay? You look pretty low, pretty low Pretty low, pretty handsome awkward

Shake it and go Shake it and go Shake it and go Shake, shake, shake, go Shake it and go
