I woke up in the morning with my head turnin' 'round  
I'd really need a coffee, not my mama's voice's sound  
I drank too much with my friends last night  
But I remember the girl with whom I spent my time

She was all dressed up in black with spike heels  
Eyes like blades, and hot lips made to kill  
She said "Hey babe, what you gonna do  
I'll make you wonder: I wanna shake with you"

I answered "I'm a bad boy, sure I'll go to hell  
But I'm so hungry too, you know it so well  
I don't need no doctors and I don't need no pills  
All I need from you is a heart thrill"

CHORUS:

Shocking sex for exciting combinations  
I like swimmin' in the lap of luxury  
Shocking sex for exciting dirty action  
Turn on the light 'cause I do wanna see.

Some people spend their time in front of the T.V.  
screen  
Hard core movies, porno magazines  
The way is the same and I can tell you more  
Sex and not love is what they're lookin' for

Baby suck my honey and I'll make it too  
Upside down is sweet hell painted blue  
I'll do what you want, pleasure guaranteed  
I'm so glad you're the girl I need

CHORUS

Shitmade D.J. don't you turn me around  
I'm out of control but I'm not sick and down  
Let me hear good music we want rock'n'roll  
For sex and rock, well I'd sell my soul

CHORUS

Whiskey starts to rock me, I get out of control  
She's a heart attack, that's what I have told  
For sex and rock, well I could sell my soul
