#### **"Factory"**

Days are long but the minds are strong  
In the factory  
Heads are down and all the people frown  
In the factory  
I'm so down I put my head around every noose I see  
Days are long but the minds are strong  
In the factory

Eyes are mean but the walls are clean  
In the factory  
Patience now they're gonna string you out  
In the factory  
I'm so tired I never go outside every night I sleep  
Days are long but the minds are gone  
In the factory
