Are you here forever, standing by the road,
With the benefit of feeling on your own?
Where the river ends the sun is coming down,
Through the vision valley waiting to be found,

Aaaah
Ooooh (x2)

Are you here forever, standing by the road,
With the benefit of feeling on your own?
Where the river ends the sun is coming down,
Through the vision valley waiting to be found,

Aaaah,
Ooooh, (x2)

Ah yeah, yeah, yeah, (x3)
Ah yeah, yeah, yeah, yeeah.
