It's quite possible that I'm your third man girl
But it's a fact that I'm the seventh son
No doubt about it

It's quite possible that I'm your third man girl
But it's a fact that I'm the seventh son
And right now you could care less about me
But soon enough you will care, by the time I'm done

Let's have a ball and a biscuit sugar
And take our sweet little time about it
Let's have a ball girl
And take our sweet little time about it
Tell everybody in the place to just get out
And we'll get clean together
And I'll find a soapbox where I can shout it

Read it in the newspaper
Ask your girlfriends and see if they know
Read it in the newspaper
Ask your girlfriends and see if they know
That my strength is ten fold girl
I'll let you see if you want to before you go

It's quite possible that I'm your third man
But it's a fact that I'm the seventh son
It was the other two which made me your third
But it's my mother who made me the seventh son
Right now you could care less about me
But soon enough you will care by the time I'm done
