### "Conquest"

Conquest-  
He was out to make a conquest  
Didn't care what harm was done  
Just as long as he won  
The prize

Conquest-  
She was just another conquest  
Didn't care whose heart was broke  
Love to him was a joke  
'til he looked into her eyes

And then in the strange way things happen  
The roles were reversed from that day  
The hunted became the huntress  
The hunter became the prey

Conquest-  
Now you know who made the conquest  
She, with all her female guile  
Led him helpless down the aisle  
She had finally made a conquest

Ahh ahh ahh ahhhhh [x4]  
Oooh oooooohh oohhhh

And then in the strange way things happen  
The roles were reversed from that day  
The hunted became the huntress  
The hunter became the prey

Conquest-  
Now you know who made the conquest  
She, with all her female guile  
Led him helpless down the aisle  
She had finally made a conquest

Ahhhhh

Conquest
