Fell in love with a girl
I fell in love once and almost completely
She's in love with the world
But sometimes these feelings
Can be so misleading
She turns and says are you alright?
I said I must be fine
Cause my heart's still beating
Come kiss me
By the riverside,
Bobby says it's fine
He don't consider it cheating now

Red hair with a curl
Mellow roll for the flavor
And the eyes for peeping
Can't keep away from the girl
These two sides of my brain
Need to have a meeting
Can't think of anything to do yeah
My left brain knows that
All love is fleeting
She's just looking for something new, yeah
And I said it once before
But it bears repeating, now

Ah-ha ah-ha ah-ha

Can't think of anything to do yeah
My left brain knows that
All love is fleeting
She's just looking for something new
Well, I said it once before
But it bears repeating now

Fell in love with a girl
Fell in love once and almost completely
She's in love with the world
But sometimes these feelings
Can be so misleading
She turns and says are you alright?

I said I must be fine
Cause my heart's still beating
Come and kiss me
By the riverside, yeah
Bobby says it's fine
He don't consider it cheating now

Ah-ha ah-ha ah-ha

Can't think of anything to do yeah
My left brain knows that
All love is fleeting
She's just looking for something new
Well, I said it once before
But it bears repeating
