I'm walkin' through streets that are dead  
walkin' with you in my head  
my feet are so tired  
and my brain is so wired  
and the clouds are weepin'  
did I hear someone tell a lie  
did I hear some long distant cry  
I spoke like a child  
you distoryed me with a smile  
while I was sleepin'  
well I'm sick of love  
but I'm in the thick of it  
I'm sick of love  
well I'm lovesick  
I see  
I see lovers in the meadow  
I see

I see silhouettes in the window  
I watched till they're gone  
but they keep me hangin' on  
to their shadow  
well I'm sick of love  
I wish I never met you  
this kind of love  
oh, I'm trying to forget you  
just don't know what to do  
I'd give anything to  
be with you
