(I never thought that I had to be  
this protector  
So many thoughts inside my head  
a strange collector)  
But now  
But now  
But now  
Now, now, now, now, now  
You thought you heard a sound  
there's no one else around  
looking at the door  
it's coming through the floor

300 people living out in  
west virginia

have no idea  
of all these thoughts that lie  
within ya  
But now  
But now  
But now  
Now, now, now, now, now

You thought you heard a sound  
there's no one else around  
looking at the door  
it's coming through the floor
