Nestled up to the warmest fire beams the face that is
less the liar.
Nodding yes with that noble smile, she's so loyal.
And all the secrets you'd never dare, came out beneath
her caressing stare.
You've found yourself in a home you never thought
you'd know.
All around you there's whispers of warning.
You start to doubt the ones that bleed like you.
Where have you gone to?
You just flash that badge.
Stronger now but it's a lie, don't ever say that I didn't
try.
Now you let her deep inside... it's the beginning of the
end.
SHE'S ON YOUR SIDE.
BUT WHY.
SHE'S ON YOUR SIDE.
And WHY would you care?
Drains the color from passions stone and reassures as
he shifts the course,
"I've got a dream in my palm if you see it my way.
Everything that you need to be came, but only came
AFTER me.
Pledge allegiance and we'll say WE. It's our secret."
Welcome to slither, you're losing your judgment.
You can't tell in the heart of a lie.
The one we knew would have said, "Fuck you." a long
time ago
But the talons grew into heart shaped wings and pretty
things
Don't suit your beholder.
HE'S ON YOUR SIDE.
BUT WHY.
HE'S ON YOUR SIDE.
It's my side vs. your side
SHE'S ON YOUR SIDE.
BUT WHY.
HE'S ON YOUR SIDE.
It's my side vs. your side.
This is what you wanted. Let's get it started. she'd a
tear for the broken hearted.

It's my side vs. your side.

This is what you wanted. Let's get it on. We'll gnash the
teeth and we'll break the bone.

I am ready. This is just how you wanted it.

I am ready... but why would you care?
