I look at you  
You turn away  
I wonder what this means  
You flow across the room  
Just to disappear again

Iâ€™m tired of this game  
Your heart is playing too

Cover me Iâ€™m going in  
Iâ€™m taking a nose dive against the wind  
Cover me, Iâ€™m losing ground  
Iâ€™m losing sight of you amongst the crowd  
Iâ€™m going down

The lights all pass me by  
Thereâ€™s lightning in the sky

They dance between the stars  
The briefest light alive

Thereâ€™s trembling inside  
And no-one on the road

Cover me Iâ€™m going in  
Iâ€™m taking a nose dive against the wind  
Cover me, Iâ€™m losing ground  
Iâ€™m losing sight of you amongst the crowd  
Iâ€™m going down

Itâ€™s time I said goodbye  
Iâ€™m drowning in your lies
