Girl I'm down for you, we've built this through the years  
Girl u know I'm right so Come Home, so Come Home  
And the hands of time can wipe away your tears  
Girl don't walk away, just Come Home, just Come Home

Now u takin off your ring? Girl I told u everything  
What I wouldn't do just to be with you?  
Now you're thinking I would stray? It's all lies they say  
Thought u always knew: Im in love with u

Girl I'm down for you, we've built this through the years  
Girl u know I'm right so Come Home, so Come Home  
And the hands of time can wipe away your tears  
Girl don't walk away, just Come Home, just Come Home

Girl I'd never do u wrong, home is where we both  
belong  
What I wouldn't do just to be with you?  
Always be there as ya man, and I told u that  
Thought u always knew: I'm in love with u...  
Girl I'm down for you, we've built this through the years  
Girl u know I'm right so Come Home, so Come Home  
And the hands of time can wipe away your tears  
Girl don't walk away, just Come Home, just Come Home

Girl I'm down for you, we've built this through the years  
Girl u know I'm right so Come Home, so Come Home  
And these arms of mine can shield u from your fears  
Girl don't walk away, just Come Home, just Come Home

Everytime I come back home I think there's no place in  
the world  
There's no place that I would rather be, so come to  
me...

Girl I'm down for you, we've built this through the years  
Girl u know I'm right so Come Home, so Come Home  
And these arms of mine can shield u from your fears  
Girl don't walk away, just Come Home, just Come Home
