I said just take it easy on me!

[VERSE]

Into the fire, I throw a life

A life that you made up, I'm starting to wake up

I know who you are, it's not who I am

I'm turning into you, I don't want to be you

I'm not you

[BRIDGE]

A face like me, a voice like mine

But that's where it ends, there's nothing else

[CHORUS]

I said just take it easy on me!

It doesn't help when you're screaming at me

(screaming at me)

Why would I ever stay?

It wouldn't be hard to leave, you made it easier today

You'll get a job, yeah you'll go to school

You'll be like your old man, yeah you'll do what I do

No I have a choice, yeah I know I do

And it's time to stand up, or stand up to you

I'm not you.

[BRIDGE]

[CHORUS]

You made it easier today.

[CHORUS]

It's easier today.
