Yeaaaaaaaaaaaaah

[VERSE]

You don't give up, you should be moving on  
You never question why you're always alone  
You never stop, this is the end of us  
You are the answer why you're always alone.

[BRIDGE]

Let go, let go, before you fall to pieces  
I know it seems so hard, but I want you to know:

[CHORUS]

I'm not the only one who sees that this is over

Am I the only one who knows it's gone forever?

I'm not the only one to call it what it is.

Am I the only one who knows it's gone forever?

[VERSE]

You're sitting on the steps, wearing that faded dress  
I can't let you in this time, we've been there before  
I close the door, then I turn off the lights  
I wish you'd understand, I've gone and moved on.

[BRIDGE]

[CHORUS x2]
