

Bleeker Ridge "Pick Me Up"

I'm the one you call, I'm the one you like
Make sure no one's going home alone tonight
Climb into your head, make myself at home
Wind you up and turn you on and watch you go

Yeah
We're gunna watch you go
Yeah
We're gunna watch you go

Inhale, exhale
Just keep repeating, "one more, two more"
Tell me how yah feelin'
And I will be the one, the one to save you
And I will be the one to pick you up

I made you who you are, so take me as I am
I'm just a little dirty, I've been in your head
Wheeling from the shots, stumble through the smoke
But trust me, it gets better when I take control

Yeah
We're gunna watch you go
Yeah
We're gunna watch you go

Inhale, exhale
Just keep repeating, "one more, two more"
Tell me how yah feelin'
And I will be the one, the one to save you
And I will be the one to pick you up

Taste me, embrace me
I will take it slow
Twisting, resisting but I won't let go
They say the high never outlasts the low
Believe me, you need me much more than you know

I'm the one you call, I'm the one you like
Make sure no one's going home alone tonight

Inhale, exhale

Just keep repeating, "One more, two more"
Tell me how yah feelin'
And I will be the one, the one to save you
And I will be the one to pick you up

Inhale, exhale
Just keep repeating, "One more, two more"
Tell me how yah feelin'
And I will be the one, the one to save you
And I will be the one to pick you up
