[VERSE]

For you I'd take a bullet to my head
You stop, you stare, and leave me to die there

[BRIDGE]

I'm trying to leave, but you bring me to my knees
I just can't figure out

[CHORUS]

What it is, what it is
With or without you I'm always the loser
What it is, what it is
There's something about you, yeah you're just a user

[VERSE]

You cheat, you lie

And looking in those eyes
I don't realize just who you really are

[BRIDGE]

[CHORUS]

I'm not the one, I'm not the one
I'm not the one to break down (break down)
You're not the one, you're not the one
You're not the one to break me (break me yaaaah)
I'm trying to leave

[CHORUS x2]
