(shhh)

Hollllll-er-adooooooo

When you take a trip

Better not take a dip, in alligator pond

'Cause then you'll lose your arm

Wish you were baaaaaaa-ack

In Hollerado Land

When you take a plane down to the runway lane

In the Hurricane Isles

You'll find after a while, there's no better plaaaaa-ace

Than Hollerado Land

When you take to the sky

Towards Alpha Centauri

The aliens will take your ship

They'll leave you floatin' adrift

Forever in seeeeeeeeaarch

Of where? Of Hollerado Land.
