My eyes adored you
Though I never laid a hand on you
My eyes adored you

Like a million miles away
From me you couldn't see
How I adored you?
So close, so close and yet so far away

Carried your books from school
Playing make-believe, you're married to me
You were fifth grade, I was sixth
When we came to be

Walking home every day
Over Barnegat bridge and bay
Till we grew into the me and you
Who went our separate ways

My eyes adored you
Though I never laid a hand on you
My eyes adored you

Like a million miles away
From me you couldn't see
How I adored you
So close, so close and yet so far

Headed for city lights
Climbed the ladder up to fortune and fame
I worked my fingers to the bone
Made myself a name

Funny, I seem to find that
No matter how the years unwind
Still I reminisce about the girl miss
And the love I left behind

My eyes adored you
Though I never laid a hand on you
My eyes adored you

Like a million miles away
From me you couldn't see
How I adored you
So close, so close and yet so far

All my life I will remember
How warm and tender
We were way back then

Though I'm feeling sad regrets
I know I won't ever forget
You, my childhood friend

My eyes adored you
Though I never laid a hand on you
My eyes adored you

Like a million miles away
From me you couldn't see
How I adored you
So close, so close and yet so far
